FIRST NEWS

A Note from Pastor Toni

Dear Friends,

A movie came out a number of years ago called "Pay it Forward." I didn't see the movie, but the concept has become familiar to us: when one has been "blessed" through an act or gift of another person, they pass that blessing on to someone else. For example: you get ready to pay your toll and discover that the person in front of you has already paid it! You've been gifted! You have a choice: put the money back in your pocket, or go ahead and pay for the car pulling up behind you. Whichever you decide, it's a good day. But paying it forward for someone else adds an extra little smile to your face.

There are other ways of doing this, and I'm going to twist the phrase a bit by calling it "Give it Forward."

Scott and I were the first in each of our families to go to college. Our parents didn't plan on us going to college and weren't aware of the costs that would be involved. We were both creative enough to come up with a variety of scholarships that helped pay our ways, and I took a student loan. I received significant scholarship assistance for seminary but still ended up with student loans. I worked on those for a number of years, and then, with endowment money that I was gifted with when I served at Trinity UMC in Elkhart, we paid them off—just in time for our children to begin college.

So, Scott and I weren't much more prepared to pay our children's way to college than our parents had been. But we want things to be different for our grandchildren. We've opened Indiana CollegeChoice accounts for each of them, and hope that by our regular giving we'll make their way easier. We've been blessed and we want to "Give it Forward," blessing them with an opportunity for a college education or other post secondary training if that is what they'd like.

I think of that for our church, as well. We want our children and our grandchildren to have what we have when it comes to a faith community. We want them to have a firm foundation. Precious children come forward each week for our children's messages, and they are eager to hear and to learn God's Word. Our youth come on Sunday mornings to worship and participate in Sunday School, they're involved in ASK and some join in other faith experiences during the week. We want them to have what they need to grow strong in their faith and to be able to stand strong in the face of all the challenges they will encounter in life. Even though some of our youth will move away someday, we can be thankful for other churches in the communities where they'll live, who provide solid teaching and a loving community. I'm thankful to Warsaw First UMC and Fort Wayne Saint Joseph UMC who have embraced my children and who will be a significant part of growing my grandchildren in the faith. I'm thankful for those who "Give it Forward." Who provide church homes for our families.

In October, we'll be looking at opportunities to celebrate our ministries here at First UMC, and to consider how we might continue to grow our children and youth in the faith by "Giving it Forward." We've made the investment of bringing Corryne Wick onto our ministry team as our director of children and youth ministries, and she is excited to be learning about our church and community and working with the youth and education ministry team. We have high hopes, big dreams and great expectations, because we know that God's blessings are a part of our future...God has placed important ministry before us.

Continued on page 2

Continued from page 1

May all of us be thinking and praying about the legacy we're leaving by our living, our faithing, our serving and our giving. What kind of a world...what kind of a church are we passing on to our children, to our grandchildren? What can we do to "Give it Forward" so their future is blessed in ways that even we can't imagine?

In Christ,

GREETINGS from The Well!!!

First of all I'd like to thank all who attended the Mary Kay Bonner harp concert on September 15th. While the attendance could have been much better, those who did attend had a lovely and relaxing, musical experience. We also had several people attend who had never been to The Well before. I'd like to say a huge "thank you" to Jeff Mills who set the room up in a nice theatre seating style, to the Outreach committee who sponsored the concert and supplied refreshments and to our childcare volunteer Lily Cochran. (She wasn't busy – but we are so thankful she was there!)

October is shaping up to be an exciting month. We have another concert coming up. This time it will be held in the Sanctuary because we are expecting a bigger crowd. Childcare will once again be provided.

Many of you know my nephew, Quentin Flagg and you are aware that he has been an entertainer for many years. His concerts are mostly made up of old time rock-n-roll with an occasional gospel song thrown in. At my request he has provided special music at The Well several times in the past couple years.

Quentin was invited by the Blueberry Festival Committee to perform on the Gospel Stage this year on Monday afternoon of Blueberry weekend. Quentin worked diligently on preparing an hour long gospel concert and was looking forward to sharing an entire gospel concert for the first time on stage.

Unfortunately, the weather did not co-operate and the Blueberry Committee made the decision to close the festival a half hour before Quentin was to take the stage for his gospel set.

After much thought and discussion Quentin will be presenting his Gospel concert on Friday, October 20th in our sanctuary. The doors will open at 6:00 p.m. This concert is open to everyone, just as if he were performing at the Blueberry Festival!

Quentin had a contract with the Blueberry committee and did receive payment. He is not asking or expecting any payment for this concert. He has asked that any free will donation taken at the time of the concert be given to the upcoming MISSION GUATEMALA project.

Please consider attending this unique gospel concert that includes many favorite Elvis Gospel tunes including: Milky White Way, Where Could I Go But To The Lord, Amazing Grace, Peace In The Valley, Swing Lo, I Got A Feelin' In My Body, Put Your Hand In The Hand, Swing Low Sweet Chariot, I Believe In The Man In The Sky...and many more.

I urge you also to invite your family, friends, neighbors, and co-workers. All are encouraged to attend and are welcome. Quentin is certainly looking forward to this opportunity and he hopes you are too!

See you at The Well and at Quentin Flagg's Gospel concert, too!

Many of you know Quentin was to appear on the Gospel Stage at the Blueberry Festival but the festival was closed on Monday afternoon because of bad weather. Quentin wants to fulfill his commitment to the Blueberry Festival Committee and his many fans. Prayer time

submitted by Dorothy Steinke

Daily prayer lessen daily worries

Pray in the spirit at all times and on every occasion. Stay alert and be persistent in your prayers for all believers everywhere.

Another season change. Fall is officially here. What I enjoy most during the fall is walking through the fallen leaves - stirring them up and making a lot of noise. I enjoy the colors of fall and I enjoy Halloween. Before I moved to Windmill park I lived in a community with lots of children. I would buy about 13 bags of candy for trick or treaters and have none left. I had a head piece that had blinking pumpkins on it and a mat that when the kids stepped on it would make a scary sound and would make the kids jump back. Also fun was the fathers that brought their babies trick or treating - guess who the candy was for. When I first moved to windmill park I asked my neighbor if there were a lot of trick or treaters; she told me that there were none but we could dress up and go trick or treating - we didn't do that.

Mission Witness

When I look back on my life journey, I realize that I have been a missionary throughout my life. It is only now that I have received an official title of "missionary. 'To live every day with the light of Christ in me, with me, and through me in a land where the Gospel is unfamiliar to many is, in fact, the life of a missionary. Through the mission work of the Wesley Foundation in Japan, Christ's light is touching and discovering a new joy in people's hearts slowly yet faithfully

Hikari Chang, United Methodist Women regional missionary, Wesley Foundation,

Evening prayer

Let nothing trouble you,

Let nothing frighten you,

All things are passing.

God never changes.

Patience obtains all things.

Nothing is wanting

To the one who has God.

God alone suffices.

St Teresa of Avila

As we enter the darkness of night, grant us Your light and Your peace, O God.

Mission Guatemala

Our church is sending a Mission Team to be part of *Mission Guatemala* from December 30, 2017 to January 7, 2018. On behalf of our congregation, they will be the living embodiment of our motto:

“Love God, Love Others, Serve Others”.

Upcoming and Ongoing Fundraising:

Martin’s Coupon Books are on sale for \$5.00. Use these so your Martin’s scrip (purchased from Social Concerns) will go further. Purchase yours from a member of Missions Commission or the church office.

Sunday, October 15 – Breakfast at the Knights of Columbus: Pancakes (blueberry or plain), French toast, scrambled eggs, sausage, coffee, milk, and OJ will be served from 8:00 to 11:00 a.m. Cost is \$5.00 for adults and \$2.00 for ages 10 and under. We are very grateful to the Knights of Columbus who will be doing the work and will be donating the proceeds to our Mission Guatemala fund! See flyer elsewhere in this newsletter.

Sunday, October 29 – Haystack Dinner following the 10:30 service in the Fellowship Hall. Never been to a Haystack Dinner before? Come and experience the Amish Tradition for fund-raising! You build your own haystack and then eat it! Yummy desserts as well! There will be baskets for your free-will offerings.

Tuesday, November 14 – Eat at Hacienda: We will get 20% of the total take for the day. This includes gift cards purchased that day. We will be taking orders and money for gift cards. In November we will have printed slips you need to take with you when you eat in. We will have plenty so you can share with friends!

*We are hoping to receive some funding through 2 different **scholarships**. One is for first time missionaries. The other is a UMW (United Methodist Women) scholarship for young people between 16 and 23. Nine of our team members fit into this category.*

Thanks to everyone who supported our fundraisers in September:

Port-a-Pit and Baked Goods on September 16 raised \$2806.05. The response to this was phenomenal, both from the church and from the community! The Lord provided a beautiful day and sent people to purchase chicken before we officially opened at 10:00 a.m.! We were so grateful that only 2 chicken halves and some baked goods were remaining on Sunday morning.

Tastefully Simple through September 30. (No total yet.)

Biscuits and Gravy at the Farmers’ Market on September 30. (No total yet.)

Also Thanks to **Social Concerns** who is donating \$1000 to the fund.

Missions Commission is trusting that the Lord will move hearts to provide the needed amount.

TRACK THE FUND AS IT GROWS:
The display in the narthex includes a photo of a Guatemalan school in black and white. As the fund grows, we will turn the photo to color.

WE HAVE PASSED THE 2/3RDS MARK! To date (9/26) there is **\$20,691.52** in the fund. The total amount of this trip, for 18 people, is \$29,711.00. Check the display in the narthex for the most current funding information.

The Missions Commission is trusting that the Lord will move hearts to provide the needed amount.

Our Team is Eighteen Strong!

We originally hoped for 12 people to sign up and we have 18 team members who will be traveling to Guatemala! They are:

- | | | |
|--|-----------------------------|------------|
| Katie & Troy Spencer; | Emily & Lily Cochern; | |
| Brenda & Brittany Pedavoli; | John Wautelet; | Ryan Gray; |
| Diane Hogsett with Granddaughters: Mary, Gabby, Emma, Olivia, & Irene; | | |
| Pastor Toni & Grandson - Riley; | Anna Hemmig & Mike Grimser. | |

Team members have been introducing themselves to us on the third Sunday of each month at both morning services. Check out the photos of each team member on the poster in the narthex.

How We Can Support Our Team!

By Prayer: Please pray for team members, for the team leaders, for the work they will do, and for the people being served. Also please pray that the necessary financial support will be forthcoming.

By Direct Donations: Whether you can give a little or a lot, weekly, monthly, or all at once - all support is appreciated! Funds given in the "Missions Baskets", passed the 3rd Sunday of every month, will go towards expenses for our mission team. This will continue throughout the summer and fall.

Donations given at any time – will be routed to the fund when you write "Mission Guatemala" in the memo line of checks or on the outside of an envelope.

HENDERSON SETTLEMENT -

It's not too late to join Steve & Sharon Westfall, Brent & Mary Kaufman, Mike Woolfington, and Carol Beiter on a work trip to Henderson Settlement at Frakes, Kentucky. They will be leaving from here on Sunday, October 22 and returning on Friday, October 27. They will be siding a trailer or home. Other volunteer opportunities are available if your talents lay in other directions. They will stay in the mission dormitory and meals will be in the cafeteria.

If you are interested in this mission adventure, please contact Sharon or Steve Westfall, Carol Beiter, or Mike Woolfington

KIDS HOPE -

Do you have an hour to give once a week? Mentors are needed to be a special friend and provide consistency for at-risk elementary students at Webster Elementary. Volunteers will be matched with a student and then trained. Each volunteer will join their student once a week during the student's lunch time. You are to be the child's friend; you are not expected to tutor or counsel the child. This is a commitment for the entire school year, but if you need to occasionally miss a week, you may simply inform the teacher. This program will start in September. If you would like to volunteer, please contact Carol Beiter.

DO YOU HAVE A PROJECT? -

Do you know of a project that needs our help? Fall will be here before you know it and yards will need raked, storm windows installed, etc. If you know of something locally that needs done, either for a church member, friend, or neighbor in need, please contact Mike Woolfington or Sharon Westfall.

We are so excited that Corryne Wick has joined our staff as Director of Children & Youth Ministries

Hi There!

I recently moved to Bremen from the State of New York. I am nearly finished with a Master's Degree in Recreation with a Concentration in Management of Leisure Services from State University of New York College at Cortland. That is a long name for doing exactly what I am doing here at Plymouth First United Methodist Church. I went into Recreation because I love working with people and coordinating events. I ultimately wanted to be working in an office at a camp or a similar job, helping with paperwork and making phone calls, but also working with kids and engaged with them. Deep down, I wanted to be serving Jesus, but I did not know how Jesus would use me.

So far, I've helped to get the Blueberry Stomp up and running and been getting to know everyone. I am pregnant and due on September 12, 2017, which means I could be having a new baby boy any day now. I'm pretty excited! It has been a fun summer and I can't wait to get to know everyone in the church. One of my goals is to help build the Children and Youth Ministries at First United Methodist. As I have observed, we have an excellent church and lots of people!

It has been great meeting you! Please introduce yourself if you see me around.

Sincerely,

Corryne Wick

Social Concerns

Our committee continues to support our women's shelter, Heminger House, our church's Boy Scout Troop, and Mission Guatemala. We are also helping Care and Share to screen calls from those in need as Care and Share has suspended help until January. Your contributions in the baskets passed on the first Sunday of the month can help with these efforts. Also, you may write a check to First United Methodist Church with Social Concerns in the memo line. Thanks for your help in serving those who are not as fortunate as we are.

Grace & Peace Alliance

We continue to help families with children who have food and shelter insecurity. For October, we are collecting cold cereal, creamy peanut butter and saltine crackers. These items help until the food banks are open. We also need funds to help persons who are homeless or want to move out of the hotels. Checks may also be written to First United Methodist Church with Grace and Peace in memo line. It's tax deductible. Thanks so much for your incredible generosity for almost two years! If you have questions, please call Mary Kaufman, 936-3024.

Joy Breaks Bible Study
